A message from our President...

First, I'd like to thank you all for your support last year. Your generosity has enabled us to continue to save special places throughout Westport. 2015 was another year of consistent growth. In March, we hired our first land protection specialist to be employed by WLCT. Over the past 12 years, we have had a wonderful partner with the Trustees of Reservations (TTOR) who have been a tremendous resource to the Westport community to help WLCT to preserve over 2,000 acres of land. TTOR is changing its mission so the Trustees and WLCT have redefined our partnership this year, moving land protection to WLCT. Thanks to the past help of TTOR, we are in an excellent position to continue the pace of land conservation. We are embarking on multiple complex conservation projects on our own, but only with your help!

We permanently preserved 92 acres in 2015 including 66 acres adjacent to the Dunham's Brook Conservation Area donated in December by Bruce and Dinny Roberts and their family. This donation will establish another 1.5 miles of trails. Also preserved this year was a purchase from Katherine Payne of an additional 9 acres at the Headwaters Conservation Area which protects the headwaters of Bread and Cheese Brook, a major tributary to the East Branch of the Westport River. In addition, we worked with Will Makris to permanently protect 17 Acres of East Branch waterfront with a Conservation Restriction. Overall, it was another very successful year for land protection in Westport.

We officially opened the Headwaters Conservation Area at our Annual Meeting in May and had more than 75 people attended the event, which started with a walk on the newly established trails. It was a wonderful celebration and launched a summer of programs geared at getting the public out to enjoy the many special protected places throughout our town. Over 40 events were held by WLCT in 2015 with hundreds of people participating throughout the year.

Finally, as members, you received the first copies of our town wide Trail Guide last fall. This full color guide highlights 9 amazing protected properties in Westport to visit. The guide is free and available at trailheads throughout town as well as our office at the Town Farm.

I want to thank you all for your support of WLCT. So far, we have been successful with your help but we cannot stop now. Continued development pressure is a constant risk for our farmland. Let's not let the last crop be asphalt. Your continued participation is critical to maintain Westport's rural character.

Sincerely,

Trip Millikin
WLCT President
