A message from our President...

May 21, 2020

Dear WLCT Members:

Thank you for supporting another successful year of land conservation. In 2019, WLCT protected over 184 acres of prime forestland, vital wetland resources and publicly accessible lands. Our continued preservation of Westport's unique natural resources is only possible because of you.

In June we opened Westport Woods Conservation Park, Westport's first community park! The opening had over 400 attendees and was a spectacular illustration of our community's commitment to valuable open space. By the end of 2019, we successfully reached our Phase II fundraising goal of \$1.025 million to finish the transformation into a park. Westport Woods is already one of our most popular locations. Come visit! This year we are completing our Children's Discovery Garden and the new office and visitor center space for public use.

Beyond Westport Woods, we now have an additional 223 acres under agreement to protect iconic agricultural and wetland resources in Westport. This would not be possible without YOU, our dedicated members, and the many partners we collaborate with. A special thank you to the Town of Westport and our entire community for supporting these projects!

Last year, we hosted over 1,050 visitors to our public programs. The Tuesday Trail Team gave over 3,500 hours of service to WLCT through regular trail maintenance and special project tasks. Our 10 destination properties continue to delight thousands of visitors a year with stunning views, abundant wildlife and over 15 miles of outdoors to explore.

On behalf of WLCT Board of Directors and staff, thank you for your tremendous generosity in 2019. But we have more to do! Please continue to support the protection of Westport's rural character. Let's not let asphalt be the last crop.

Sincerely,

Trip Millikin
WLCT President

P.S. Don't forget to make the time to get out and explore all Westport has to offer!
